

Marquette's Bill Pay Agreement

Bill Payment Service

This is your bill paying agreement with Marquette Savings Bank. You may use Marquette Savings Bank's bill paying service, bill pay, to direct Marquette Savings Bank to make payments from your designated checking (account) to the Merchants you choose in accordance with this agreement. The terms and conditions of this agreement are in addition to the account agreements, disclosures and other documents in effect from time to time governing your account (the account rules).

"You" or "your" means each person who signs the bill paying enrollment form or is otherwise authorized to use the service. "Merchant" means anyone, including Marquette Savings Bank, you designate and Marquette Savings Bank accepts as a payee.

How to Set Up Merchants/Payments

When you sign onto the bill pay system you will establish your list of merchants by selecting the add button on the "set up accounts" and "payee screen." You may add a new fixed payment for any merchant but only if they are on your authorized list of payees. If the merchant is not set up for electronic payments, the service will generate a paper check for payment. The check will carry your account number and will clear directly through your account. A unique check number will appear on your statement for easy recognition. Marquette Savings Bank reserves the right to refuse the designation of a merchant for any reason.

Marquette Savings Bank is not responsible if a bill payment can not be made due to incomplete, incorrect, or outdated information provided by you regarding a merchant or if you attempt to pay a merchant that is not on your authorized payee list.

The Bill Paying Process

Marquette Savings Bank will process variable payments on the business day (generally Monday through Friday, except holidays) you designate the bill is to be processed, provided the payment request is received prior to the cut-off time set by Marquette Savings Bank, which is currently 3:00 p.m. CST. Variable bill requests received after the business day cut-off time, or at any time on a non-business day will be processed on the next business day. Marquette Savings Bank reserves its right to change the cut-off time by giving you notice if it changes.

FOR RECURRING PAYMENT REQUESTS, IF YOU DESIGNATE A PROCESSING DATE OF THE 28TH THROUGH THE 31ST OF A MONTH, YOU MUST SELECT THE OPTION OF "LAST BUSINESS DAY" FOR PROCESSING TO ALWAYS BE INITIATED ON THE LAST CALENDAR DAY OF THE MONTH. Otherwise, recurring payment requests will be processed on the dates you have designated, unless such date falls on a non-business day resulting in your payment being processed on the next business day.

YOU MUST ALLOW AT LEAST FIVE (5) BUSINESS DAYS, PRIOR TO THE DUE DATE, FOR EACH BILL PAYMENT (RECURRING OR VARIABLE) TO REACH THE MERCHANT (IT IS THE RESPONSIBILITY OF THE SUBSCRIBER TO SCHEDULE/ACTIVATE RECURRING PAYMENTS). Due to circumstances beyond our control, some merchants take longer to post payments than others. We suggest sending your first payment eight (8) business days in advance of the due date. After your first payment has posted you will have a better understanding of how much time to allow for each merchant.

You must select a payment date that is at least five (5) business days before the actual due date reflected on your payee statement. If your actual due date falls on a non-business day you must select a payment date that is at least one business day before the actual due date. Payment dates should be prior to any late date or grace period.

When you have scheduled a payment, you authorize Marquette Savings Bank to debit your payment account and remit funds on your behalf. You certify that your payment account is an account from which you are authorized to make payments and any payment you make will be debited from this account. You also authorize the credit of returned payments from using the bill pay service.

The bill pay service will incur no liability and a service guarantee shall be void if the bill pay service is unable to complete any payments initiated because of any of the following:

1. You have not provided the bill pay service with the correct payment account information, or the correct name, address, phone number, or account information for the merchant upon initiation of the payment;
2. Circumstances beyond the control of the bill pay service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the bill pay service has taken reasonable precautions to avoid those circumstances;
3. The payment-processing center is not working properly and you know or have been advised by the bill pay service about the malfunction before you execute the transaction;
